YOUR PASSPORT TO RELAXATION

Plug into a backyard staycation with Getaway Hot Tubs®, your passport to relaxation.

Get away from the stress of life — your way. Getaway Hot Tubs by Master Spas are an affordable line of easy-to-own and easy-to-use hot tubs, offering the relaxation you want and deserve. With a Getaway Hot Tub, your dream staycation is only moments away.

Getaway Hot Tubs are quick & easy to enjoy:

1. Select a location
2. Add water
3. Plug in to any dedicated 15 Amp, 120 Volt outlet*

In addition to a quick and easy setup, Getaway Hot Tubs also deliver:

RELAXATION Unwind in the privacy and comfort of your own backyard. Getaway Hot Tubs are the perfect excuse to escape and rejuvenate.

HYDROTHERAPY Relieve muscle aches and pains with strategically placed jets that melt away the stress of the day.

QUALITY Master Spas' thorough quality control process ensures that quality is found in every inch of a Getaway Hot Tub. From the unibody construction of high-density polyethylene, which produces a strong, lightweight and scratch-resistant hot tub, to the high quality, easy-to-use controls, your hot tub is both durable and hassle free.

CLEAN WATER All Getaway Hot Tubs feature patent-pending EcoPur® Charge Master Core Technology, a water purification system that keeps the water sparkling clean and assures that the quality of your water is superior to all industry standards. Best of all, this means you can spend your time enjoying your hot tub, not worrying about maintenance.

ENVIRONMENTALLY FRIENDLY Master Spas uses foam insulation that does not contain any ozone-destroying gases or gas emission hazards.

ENERGY EFFICIENT Full foam insulation maximizes heat retention and temperature control, which results in lower energy costs. Every Getaway Hot Tub meets stringent energy efficiency regulations.

CERTIFIED Getaway Hot Tubs meet strict UL standards and are produced by Master Spas, a Trade Certified manufacturer of hot tubs and swim spas.

MASTER SPAS CARES

Master Spas is dedicated to helping people live life better. Our faith and beliefs guide us in partnering with local and national organizations for the greater good.

St. Jude Children's Research Hospital Leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases.

Michael Phelps Foundation Works to promote healthy, active lives, especially for children, primarily by expanding the opportunities for participation in the sport of swimming. Programs provide a learn-to-swim, healthy living, and goal-setting curriculum worldwide through the Boys and Girls Club of America and Special Olympics International.

Lupus Foundation of America Works to improve the quality of life for people living with lupus through research, advocacy, and support. Lupus is a complex disease affecting more than 1.5 million Americans that requires a comprehensive strategy.

Michael J. Fox Foundation Dedicated to finding a cure for Parkinson's disease and to ensuring the development of improved therapies.

Tunnel to Towers Foundation Helps families of fallen service members and first responders by providing mortgage-free housing. Tunnel to Towers builds custom-designed smart homes for catastrophically injured veterans and first responders. The foundation is also committed to eradicating veteran homelessness.

Vera Bradley Foundation A driving force in the fight against breast cancer, the foundation helps fund research to find a cure and improve the therapies for the most difficult-to-treat types of breast cancer, helping women affected by the disease.
